

WARN VR EVO The New Standard in Standard-Duty Winches

With the lowest amp draw and fastest line speed under load, the new VR EVO series of winches are the hardest-working, standard-duty winches we've ever offered. They feature IP68-rated waterproof construction for performance in all conditions, and our legendary reliability—standard. Plus, they're covered by our industry-leading limited lifetime warranty. All VR EVO winches are available at a price that won't pull you out of your budget.

- Available in 8,000, 10,000, and 12,000 lb. capacities
- Choice of durable steel or easy-to-handle synthetic rope
- Rugged, one-piece, cast-aluminum tie plate for added strength and durability
- Heavy-duty, die-cast hawse fairlead
- Sealed Albright® contactors deliver the ultimate in reliability
- Control pack can be relocated for low-profile installations
- Limited lifetime warranty (mechanical), seven year electrical warranty

VR EVO is the gateway to the WARN brand and has the best warranty in the business—you can't afford to trust anything less.

103254 VR EVO 12

90' of 5/16" steel rope and roller fairlead

103251 VR EVO 8-S
90' of 3/8" synthetic rope and black hawse fairlead

Center-Mounted Convertible Control Pack

You can mount the control pack separately from the winch, or keep it attached for an integrated look. Your choice.

While a kit isn't required to relocate the VR EVO control pack several inches from the winch, a 78" Extended-Length Cable Kit is available for those looking to move the control pack farther away.

106011 Optional Extended-Length Cable Kit (78") for VR EVO winches

Corded Remote

VR EVO comes standard with a hand-held corded remote that features an 11.5 ft (3.5m) lead.
